It is with great pleasure that I am able to present to you:
Harmony of a Hunter

An album created to mark the twenty fifth anniversary of the amazing franchise of Metroid. Celebrating unique and memorable themes from Metroid NES to Metroid: Other M. Harmony of a Hunter offers music from a selection of genres created by a wide range of talent to ensure a variety of content for fans to enjoy.

It has been an honour and a privilege to organize and contribute to a project like this and I want to thank everyone who believed and supported it and of course, thanks to the talented individuals that made it all possible.

Happy anniversary Metroid, see you next mission!

Darren Kerwin

Project Director
